MAREETA GRUNDY **INDEPENDENTS**

Queanbeyan Palerang Regional Council Election 14 September.
Authorized by Mareeta Grundy 44 Yass Rd, Queanbeyan East 2620.
Printed by Tender Edge, 13/1 Pirie St, Fyshwick ACT 2609.

VOTE FOR INDEPENDENCE

COUNCIL'S AND YOURS

Voting below-the-line requires that you select at least 6 candidates, lest your vote be considered informal.

You can optionally number up to 11 if you wish to maximise the distribution of your preferences.

Clearly number the ballot box next to the candidate's name in the recommended order, or in the order that you prefer.

I recommend your number 1 vote is for me. My name appears on the ballot as GRAHAM Richard, on the far righthand side of the paper.

Keep in mind that on the ballot paper, the SURNAME is first, followed by the given name.

I recommend Cllr Mareeta Grundy for your 2nd below-the-line vote due to her proven record of being onside with residents, her depth of preparation on issues, and insisting on full economic disclosures. She prosecutes cases for the community with integrity, intellect and insight. She voted against both the 64% rate rise and increasing councillor pay.

I recommend former councillor Trevor Hicks for your 3rd below-the-line vote. He's a community person that exemplifies the embodiment of good deeds with common-governance sense. As a business owner, he knows the responsibility of meeting a payroll. Trev is a man of the people. He sees a councillor's duty is to all residents and not just where they reside.

Number 4 is Wiradjuri woman Rachael Macdonald, who has both extensive public service and private enterprise experience, including business ownership. She recognises the root causes of Council's financial burden on ratepayers must be fixed, not papered over. She's committed that Council doesn't return to administration.

Number 5 on the card is former Air Force officer, Shane Ivimey, a young, action oriented Googong resident, who believes in our shire's potential, while recognising that council is in an existential crisis. He will sharply focus on issues then lead the way to improvements that save money and improve outcomes for residents.

My 6th recommendation is Walter Raynolds a no non-sense farmer and 19-year councillor from Manar. His clarity and depth in LGA governance was instrumental saving the State's incompetent merger of Tallaganda and Yarralumla shires from going bankrupt and guiding it to the self-sufficiency that became the hallmark of Palerang Council.
